Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 15 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Scattered showers in north on Sunday, mainly dry elsewhere.

Today:
Showery rain across the Northern Isles and north. A little rain across the far south at first, otherwise central and southern Scotland mainly dry with some brightness, although a few showers here later.

Tonight:
Scattered showers this evening becoming becoming confined to northern coasts overnight. Otherwise largely dry with clear periods. Brisk northwesterly winds developing along the northeast coast.

Monday:
Dry for most of the day with some sunshine in the east. Outbreaks of rain reaching the northwest later in the afternoon, spreading east in the evening.

Outlook for Tuesday to Thursday:
Many places dry, some warm sunshine in parts of the south and east. Staying mostly cloudy in the west and Northern Isles, a little light rain at times.
